1. Parties, Premises, and Location Rider

1.1 Landlord leases the Premises to Tenant, and Tenant leases the Premises from Landlord, on the terms of this Lease. The Premises include the appliances and fixtures listed here: , and the right to use the common areas of the building in common with others.

1.2 Each person signing as Tenant is responsible, jointly and individually, for all of Tenant's obligations under this Lease.

1.3 Only Tenant and these additional occupants may live in the Premises: . Tenant may have guests. A guest who stays more than days in any 30-day period becomes an occupant and must be approved by Landlord, and Landlord will not unreasonably withhold approval. Occupancy is subject to applicable housing codes.

1.4 The location rider checked in Section 25 is part of this Lease. If the rider or any law or ordinance that applies to the Premises conflicts with this Lease, the rider or that law controls. Any provision of this Lease that the law makes unenforceable is void, and Landlord will not try to enforce it.

2. Term, Possession, and Renewal

2.1 The Lease term is stated on page 1.

2.2 If Landlord cannot deliver possession on the start date, rent abates until possession is delivered. If possession is not delivered within days after the start date, Tenant may end this Lease by written notice and Landlord will promptly refund all money Tenant paid.

2.3 This Lease does not renew automatically. A renewal or extension must be in writing and signed by both parties. Landlord will give any notice of non-renewal or rent change required by the location rider or by law. Landlord will not charge any fee for renewing or modifying this Lease.

2.4 If Tenant stays after the Lease ends with Landlord's written consent, the tenancy becomes month-to-month on the same terms, and either party may end it by giving the written notice required by the location rider or by law. If Tenant stays without Landlord's consent, Tenant owes rent for each day of the holdover at the daily rate of the monthly rent, plus any other amounts the law allows Landlord to recover.

3. Rent and Payment

3.1 Tenant will pay the monthly rent stated on page 1 in advance, on or before the due date, without demand.

3.2 Tenant may pay rent by these methods: . Landlord will not require electronic payment as the only way to pay (765 ILCS 705/4). Whatever other methods are offered, Tenant may always pay by paper check or money order mailed or delivered to , with no transaction fee or other charge (765 ILCS 705/3.5).

3.3 Landlord will give Tenant a written receipt for every cash payment and, on request, for any other payment.

3.4 Landlord applies payments first to the oldest unpaid rent and then to other amounts due. Landlord's acceptance of a partial payment does not waive the unpaid balance. Any notice rights after a partial payment are governed by law.

4. Late Fee and Returned Payments

4.1 If rent is not received by the end of day _____ after the due date, Tenant owes one late fee for that month in the amount stated in the conditional charges table on page 1. The late fee will never be more than the amount allowed by the location rider. There are no daily late fees.

4.2 If a payment is returned unpaid by Tenant's bank, Tenant owes the returned payment fee stated in the conditional charges table on page 1, if any, which will not be more than the amount allowed by law.

4.3 These are the only charges for late or returned payments. Landlord will not charge a fee for sending any notice.

5. Security Deposit

5.1 If page 1 shows a security deposit, Tenant pays it at signing. The security deposit includes any pet deposit or other refundable deposit. The deposit is not a fee and is not rent, and Tenant may not use it as the last month's rent unless Landlord agrees in writing.

5.2 Landlord will hold the deposit at the financial institution named on page 1 and will give Tenant a written receipt, as required by the location rider and by law.

5.3 Landlord may deduct from the deposit only (a) unpaid rent, (b) other unpaid amounts Tenant owes under this Lease, and (c) the reasonable cost of repairing damage to the Premises caused by Tenant, occupants, guests, or pets, beyond normal wear and tear. Landlord will not deduct for normal wear and tear.

5.4 After Tenant moves out, Landlord will return the deposit, with any required interest, less permitted deductions, and will give Tenant an itemized statement of any deductions with receipts or estimates, within the times stated in the location rider. Tenant should give Landlord a forwarding address in writing.

5.5 If Landlord sells or transfers the Premises, Landlord will transfer the deposit to the new owner and the new owner will notify Tenant as required by the location rider and by law.

6. Fees

6.1 Page 1 lists every non-optional fee under this Lease and every charge that applies only if something happens. Tenant does not owe any fee or charge that is not listed on page 1. Landlord will not rename a fee or charge to avoid this rule.

6.2 Landlord will not charge Tenant any of the following: (a) a fee for renewing or modifying this Lease; (b) a fee for an eviction notice, or for filing an eviction case before the court enters an eviction order (this does not limit court costs and filing fees the law allows Landlord to recover); (c) a fee for after-hours maintenance requests; (d) a fee for contacting Landlord or the manager about maintenance, service, lease questions, or other matters related to the tenancy; (e) a fee for travel needed to complete maintenance or safety repairs; (f) a fee for a maintenance hotline or calls to it; (g) a fee for routine maintenance and upkeep of the Premises; (h) a fee for pest abatement or removal unless Tenant contributed to the infestation; or (i) a fee for an in-person walk-through at move-in or move-out.

6.3 An optional service is one Tenant may decline without any effect on Tenant's right to rent the Premises. Any optional service is described in a separate signed addendum, and Tenant may cancel it as stated in that addendum.

7. Utilities and Services

7.1 Page 1 states which utilities are included in rent, which Tenant pays directly to the provider, and which Landlord bills to Tenant.

7.2 Tenant will place utilities that Tenant pays directly in Tenant's name by the start date and keep them in service during the term.

7.3 If Landlord bills Tenant for a share of a utility that also serves other units or common areas, the Utility Allocation Disclosure attached to this Lease explains how Tenant's share is calculated (765 ILCS 740). Landlord will bill only that share and only as stated on page 1.

7.4 Landlord will pay for utilities that are included in rent or that Landlord controls, and will not interrupt any utility or service to force Tenant to move or pay.

8. Use of the Premises

8.1 Tenant will use the Premises only as a private residence. Tenant may use part of the Premises as a home office if the use brings no customers or employees to the property and complies with law.

8.2 Tenant, occupants, and guests will comply with all laws, will not disturb other residents' peaceful enjoyment, and will follow the written building rules attached to this Lease, if any. Building rules may not add fees or fines or conflict with this Lease.

8.3 Smoking policy for the Premises and building: _____.

8.4 Landlord will not penalize Tenant, or treat it as a lease violation, when Tenant or anyone else contacts police or emergency services for help.

9. Condition, Move-In, and Move-Out

9.1 Landlord will deliver the Premises clean, safe, and in compliance with applicable codes. Within _____ days after move-in, Tenant may note on the Move-In and Move-Out Condition Report attached to this Lease any damage or defects, and Landlord will keep a copy.

9.2 Either party may request a joint walk-through at move-in and at move-out. There is no fee for a walk-through.

9.3 At move-out, Tenant will remove all personal property, leave the Premises reasonably clean and in the same condition as at move-in except for normal wear and tear, and return all keys and access devices.

10. Maintenance and Repairs

10.1 Landlord will keep the Premises and common areas fit to live in and in compliance with applicable building, housing, and health codes, and will maintain in working order the structure, roof, plumbing, heating, electrical systems, and any appliances Landlord supplies.

10.2 Tenant will keep the Premises clean and safe, dispose of garbage properly, use all fixtures and appliances reasonably, not damage the Premises or allow others to do so, and promptly notify Landlord of any needed repair, water leak, mold, or pest problem.

10.3 Tenant will pay the reasonable cost of repairing damage, beyond normal wear and tear, caused by Tenant, occupants, guests, or pets. Landlord will give Tenant a written statement of the cost.

10.4 Tenant may submit repair requests at any time to _____. For emergencies, contact _____. Landlord will not charge a fee for any repair request, at any hour.

11. Pests

Landlord is responsible for pest control and extermination. Landlord will not charge Tenant for pest abatement or removal unless Tenant contributed to the infestation, and then only the actual, reasonable

cost. Tenant will notify Landlord in writing within 48 hours after Tenant notices any sign of bed bugs, and will cooperate with reasonable inspection and treatment.

12. Alterations and Locks

12.1 Tenant will not make alterations, paint, or install fixtures without Landlord's written consent.

12.2 Tenant will not change or add locks without Landlord's written consent, except as the Safe Homes Act (765 ILCS 750) allows. If Landlord changes the locks at Tenant's request, Landlord will give Tenant new keys promptly.

13. Landlord's Access

Landlord may enter the Premises at reasonable times to inspect, make repairs, supply services, or show the Premises to prospective tenants, buyers, lenders, or contractors. Except in an emergency, Landlord will give Tenant at least 48 hours' notice, or any longer notice the location rider requires, and will enter only between 8:00 a.m. and 8:00 p.m. unless Tenant agrees to another time. In an emergency Landlord may enter without notice and will tell Tenant about the entry within two days afterward. Landlord will not use the right of entry to harass Tenant.

14. Pets and Assistance Animals

- ☐ Tenant may keep only these pets: _____. Any pet fee or pet rent appears on page 1, and any pet deposit is part of the security deposit on page 1. Tenant is responsible for any damage or disturbance a pet causes.
- ☐ No pets are allowed without Landlord's written consent.

An assistance animal (a service animal or support animal) is not a pet. Landlord will consider requests for an assistance animal as a reasonable accommodation under fair housing law and will not charge pet fees, pet rent, or a pet deposit for an assistance animal.

15. Parking and Storage

- ☐ Tenant may use _____. Any parking or storage fee appears on page 1.

16. Insurance

Landlord's insurance does not cover Tenant's personal property or Tenant's liability.

- ☐ Tenant will keep renters insurance in force during the term with personal liability coverage of at least $_____ per occurrence, from any insurer licensed in Illinois that Tenant chooses. Tenant will list Landlord as an interested party so Landlord is notified if the policy lapses, and will give Landlord proof of coverage before move-in and on request. Landlord does not sell insurance to Tenant and does not charge any fee related to insurance.
- ☐ Landlord strongly recommends that Tenant buy renters insurance covering Tenant's personal property and liability. It is not required.
- ☐ Renters insurance is not required by this Lease.

17. Smoke and Carbon Monoxide Detectors

Landlord has installed working smoke detectors and carbon monoxide alarms as required by law (425 ILCS 60 and 430 ILCS 135). Tenant will test them regularly, replace batteries in battery-operated units that are

not sealed, not disable or remove them, and notify Landlord in writing of any detector that is missing or not working.

18. Subletting and Assignment

Tenant may sublet the Premises or assign this Lease only with Landlord's written consent, which Landlord will not unreasonably withhold, condition, or delay. Tenant remains responsible under this Lease unless Landlord releases Tenant in writing. Landlord will not charge Tenant a fee for reviewing a request. A proposed subtenant or assignee may be asked to submit an application, and any application fee will comply with 765 ILCS 705/35.

19. Ending the Lease Early

19.1 If Tenant moves out before the end of the term without a legal right to do so, Tenant remains responsible for rent until the earlier of the end of the term or the date a new tenant begins paying rent. Landlord will make reasonable efforts to re-rent the Premises (735 ILCS 5/9-213.1) and will credit Tenant with rent received from a new tenant.

- ☐ Tenant may end this Lease early by giving at least ____ days' written notice, moving out by the termination date in the notice, and paying the early termination charge stated in the conditional charges table on page 1. If Tenant does so, Tenant owes rent only through that termination date and owes no other charge for ending early. The charge does not apply if Tenant ends the Lease under Section 19.2, 19.3, or 19.4, or because of Landlord's breach.

19.2 A Tenant or household member who is a victim of domestic violence, dating violence, sexual violence, or stalking may end this Lease and change the locks as provided in the Safe Homes Act (765 ILCS 750), without owing future rent as provided in that Act. The Summary of Rights for Safer Homes is attached to this Lease.

19.3 A Tenant who enters or is called to military service may end this Lease as provided in the federal Servicemembers Civil Relief Act and the Illinois Service Member Civil Relief Act.

19.4 If fire or other casualty not caused by Tenant, occupants, guests, or pets makes the Premises unfit to live in, rent abates while the Premises are unfit and either party may end this Lease by written notice, subject to any different rule in the location rider.

20. Default and Remedies

20.1 If Tenant does not pay rent when due, Landlord may serve a written demand for rent as provided in 735 ILCS 5/9-209. If Tenant breaks any other term of this Lease, Landlord may serve a written notice as provided in 735 ILCS 5/9-210. The location rider may add time or conditions.

20.2 Landlord may recover possession only through a court eviction case. Landlord will not lock Tenant out, remove doors or windows, remove Tenant's belongings, or interrupt utilities to force Tenant to leave.

20.3 Each party pays its own attorney's fees and costs in any dispute under this Lease, except where a statute or ordinance allows a court to award fees and costs.

20.4 Landlord's failure to enforce any term is not a waiver of that term. Nothing in this Lease waives any right of Tenant under law, and this Lease contains no confession of judgment and no waiver of the right to a jury trial.

21. Abandonment and Property Left Behind

Landlord may treat the Premises as abandoned only as the law and the location rider allow. Landlord will handle any personal property left after Tenant surrenders or abandons the Premises as required by law.

22. Sale of the Building

If Landlord sells or transfers the building, Landlord's obligations under this Lease pass to the new owner, who will be bound by this Lease.

23. Notices, Electronic Signatures, and Records

23.1 Notices to Landlord go to _____ and _____. Notices to Tenant go to the Premises and _____.

23.2 The parties agree to sign this Lease and its attachments electronically, and an electronic signature has the same effect as a handwritten signature. Tenant consents to receive this Lease, its attachments, and routine notices electronically. Tenant may withdraw that consent or request a free paper copy of any document at any time by notice to Landlord.

23.3 A notice that the law requires to be served in a particular way, including a demand for rent, a notice of termination, and an eviction notice, will be served as the law requires (735 ILCS 5/9-211) and not only by email.

23.4 Landlord will give Tenant a complete copy of the signed Lease and all attachments within 14 days after signing.

24. Fair Housing and Non-Retaliation

Landlord complies with federal, state, and local fair housing laws, including the Illinois Human Rights Act and the Immigrant Tenant Protection Act (765 ILCS 755). Landlord will not retaliate against Tenant for complaining in good faith to a government agency, requesting repairs, joining a tenant organization, or exercising any other legal right (Landlord Retaliation Act, 765 ILCS 721).

RIDER B: SUBURBAN COOK COUNTY

Cook County Residential Tenant and Landlord Ordinance (Cook County Code Chapter 42)

This Rider is part of the Lease for Premises located in Cook County outside the City of Chicago. If this Rider conflicts with the Lease, this Rider controls. If the Lease or this Rider conflicts with the Residential Tenant and Landlord Ordinance (RTLO), the RTLO controls.

B1. Coverage

Landlord states that the Premises are covered by the RTLO and are not (a) in a municipality that has adopted its own residential landlord and tenant ordinance, (b) a unit in an owner-occupied building with six or fewer units, or (c) a single-family home or single condominium unit that qualifies for the RTLO's owner exemption. If any of these applies, Landlord must use the Illinois rider and any local ordinance instead. The RTLO ban on lockouts applies in all cases.

B2. RTLO Summary

Landlord has attached the County's current summary of the RTLO.

B3. Security Deposit

(a) The security deposit, including any pet deposit, may not be more than one and one-half times the monthly rent. If the deposit is more than one month's rent, Tenant may pay the amount above one month's rent in equal monthly installments over the first six months of the Lease.

(b) Landlord will give Tenant a signed receipt stating the amount of the deposit, the name of the person receiving it and, if an agent, the name of the landlord, the date received, and a description of the Premises.

(c) Landlord will hold the deposit in a federally insured account at a financial institution located in Illinois, separate from Landlord's own funds. Landlord may accept the first month's rent and the deposit in one payment if Landlord moves the deposit into the separate account within seven business days. The financial institution is named on page 1. Landlord will notify Tenant in writing within 14 days after any transfer of the deposit to another institution.

(d) Within 30 days after Tenant vacates, Landlord will return the deposit, less unpaid rent and the reasonable cost of repairing damage beyond normal wear and tear, together with an itemized statement of deductions and supporting receipts or estimates.

(e) The RTLO does not require interest. If the building or complex has 25 or more units, Landlord will pay interest as required by the Security Deposit Interest Act (765 ILCS 715).

(f) If the Premises are sold, the new owner will notify Tenant in writing within 14 days that it holds the deposit.

B4. Move-In Fee

☐ The move-in fee shown on page 1 is non-refundable, is not a security deposit, and is reasonably related to Landlord's actual cost of Tenant moving in, as described in the Cook County Disclosure Statement. It does not cover routine maintenance and upkeep or normal wear and tear.

B5. Late Fee Limit

The late fee may not be more than $10.00 per month for the first $1,000.00 of monthly rent plus five percent per month of any monthly rent above $1,000.00.

B6. Landlord's Access

Landlord will give at least 48 hours' notice before entry, except in an emergency, and will enter only at reasonable times as stated in Section 13 of the Lease.

B7. Notice of Non-Renewal and Rent Increase

Landlord will give Tenant written notice at least 60 days before the end of the term if Landlord will not renew the Lease or will raise the rent at renewal, and at least 60 days' written notice to end a month-to-month tenancy. If Landlord gives late notice, Tenant may remain on the existing terms as the RTLO provides. Tenant is not required to respond to a renewal offer more than 60 days before the end of the term.

B8. Required Disclosures

Landlord has completed and attached the Cook County Disclosure Statement, including any foreclosure action filed against the property and, if a move-in fee is charged, what it covers.

B9. No Lockouts and No Prohibited Provisions

Landlord will not lock Tenant out, interrupt utilities, or remove Tenant's property to force Tenant out. No provision of the Lease waives any RTLO right, and any provision the RTLO prohibits is unenforceable.
